

Your Passport to Health

Purpose Statement

This office is dedicated to assuring the community that quality health care will be available at a reasonable price. To insure this, we have developed the "Health Pass." It will enable you, your family and your friends to substantially lower the cost of your health care without lowering the quality.

This Health Pass entitles the bearer to a FREE consultation, physical exam and two x-rays. (of area of complaint, if needed) up to a \$300 value.
